ALL SORTS.

Budd still leads in California. The Japs have taken Port Arthur. The weather still hangs good. Since the election Joe Platt has reduced prices on all his goods.

H. M. Yerington and wife and Mrs. Geo. Mills departed for San Francisco last evening.

Among the departures last evening were John Dennis, Frank Golden and Chas. Jones.

WANTED—A light driving cart must be cheap. Apply at this office.

Mr. W. V. Watson has been requested to resign his place in the mint. Willie says he won't.

Philip Krall, teacher of piano, is ready to receive pupils. For information apply to F. J. Steinmetz or Mrs. McQuarters.

The jury in the case of Minnie Jackson charged with fighting, found the defendant guilty in the justice court yesterday. She beat another woman over the head with a billy.

Will Day is knocking the stuffing out of traveling clothing men, as well he might, for he has put pieces of clothing down to the lowest ever known in Carson.

A lot of contemptible toughs belonging to what is known as the C. & C. gang, beat some squares nearly to death for resisting an attempt to outrage them. There is talk of lynching. The whole gang ought to have been hung long ago.

General Cassius M. Clay, known the world over as the "old warhorse" of antebellum days was married Sunday to his adopted daughter, Miss Dora Richardson. The General is now in his eighty-fourth year and the young lady fifteen.

Editor Fairbanks of the Lyon County Times, was in this city yesterday. He was feeling pretty well over the result. No man has better reason to, for he made the gamut fight imaginable in Lyon for Silver and the returns show the effect of conscientious and able endeavor.

There are several ways to run a newspaper, but I must say the best way is told in the following: A western editor once invited correspondence to the best way to conduct his newspaper and the man who hit the nail on the head replied anonymously on a postal card. "Run it as you d—d please."

To repress drunkenness the Governor of St. Petersburg has just ordered that the names and addresses of all persons found intoxicated in the streets, regardless of rank or sex, shall be posted in certain public places in the city and also printed in the official paper.—Exchange.

Under this law the "official organ" of Ormsby would have an especially good thing.

Election Aftermath.

There must have been a very lively election in Eureka county if the following from the Sentinel is any criterion:

There are more political liars in Eureka county to the square foot, than there is hell to the square mile.

The treachery that was displayed in the late election against certain candidates was a great surprise to them.

Macaroni—What you think of this Australian ballot? Raviola—Ver fine, like demon from dis man, and take the man from dat; go inside the little box and vota de way you please. Oh! isa da gooda, des new way, geta the man from both.

A meeting of the Italian Society will be held on Sunday, December 2nd, for the election of officers for the ensuing term, and the transaction of other business of importance. A full attendance is requested.

The price for sell-outs at the late election this year ranged from \$5 to \$10. The old stiffs received the former amount, and the high-toned gentlemen the latter. Both high and low degrees should be in the penitentiary.

There will be a meeting of the Salt River candidates at Harry Kendall's slaughter house to-morrow at 2 o'clock p. m., for the purpose of making arrangements for the trip on the fast sailing schooner Slim Jim, which will leave Knight's Landing on Monday afternoon at 5 o'clock. For freight or passage, apply to Capt. A. Skillman, or Purser Bob Cavanaugh.

A RE-COUNT DEMANDED.

CANDIDATES CHARGE CROOKED WORK IN THE SECOND WARD.

Since the election the town has been stirred up over ugly rumors of election skulduggery in the Second precinct.

Several candidates think that they were counted out and they propose to contest the election in that precinct.

It is claimed that at times the whole count was in the hands of the Republicans, and that a great many blunders were made by sleepy clerks between the hours of 3 and 5 in the morning. Some of the rumors floating about are of a very sensational character, but the APPEAL thinks that due allowance should be made for these lively statements made after election, and no one should be charged with crooked work unless the facts can be clearly demonstrated.

The parties charged with the fraud, however should be glad to clear themselves of suspicion at once and also demand a re-count.

In view of the ugly talk that has been going about the city during the past few days it behooves everyone connected with the affair to demand a re-count. Some of the candidates themselves who at first demanded a re-count and who have since accepted the situation have themselves been charged with being the victims of undue influence.

No honest man can be injured by a re-count.

The services of Alf Chartz have been secured by the plaintiffs in their action, and the necessary legal steps will be at once taken to secure a re-count in the second precinct.

Death of George Brown.

Yesterday the community was startled to hear of the death of Geo. Brown Deputy Warden of the State Prison. Last week he was in full health, but he was up a good deal at night working for his party and contracted a cold which settled on his lungs and he was soon down with plural-pneumonia.

He continued to get worse and yesterday at noon breathed his last. Deceased was an old residence of Story and a popular man on the Comstock where he was elected Chief of Police and Sheriff. He was a Democrat until two years ago, when he became identified with the Silver party, being rewarded for his work with the Deputy Wardenship.

Deceased was a native of Ireland, and aged, 69 years. He leaves a grown up daughter and a legion of friends to mourn his sudden taking off. The funeral will take place Wednesday morning.

Death of Mortiz Fischer.

Yesterday morning at 3:30 Mortiz Fischer, a well known citizen of Carson, and one of the oldest residents of the county, died at his room after a sickness of three weeks.

Deceased has been a resident of Carson for over thirty years, being for many years cook under Uncle George Tully in the St. Charles Hotel, and for the past fifteen years in the saloon business with Henry Decker. He was an honest, sturdy old German, one whom everybody had a good word for. Strictly honorable in all his dealings, and firm in his likes and dislikes.

He was a native of Hamburg, Germany, and aged 69 years. He leaves no relatives in this country but had three brothers and a sister in the old country.

The funeral will take place today from Masonic Hall at 2 o'clock p. m. deceased being a member in good standing in Nevada Lodge, No. 1, F. & A. M.

Didn't Deliver 'em.

There was a compact between the Cleveland and Doughty men on election day and the returns everywhere show it.

In one precinct in Reno the vote stood Doughty 99 Cleveland 101. It seems rather a breach of faith that the Republicans didn't deliver those other two votes.

Notice.

I take pleasure in stating to the public that I have opened the Silver State Restaurant and will run the business under my sole supervision. Not having a partner and being untrammelled in the management of the business, I shall endeavor to merit a full share of public patronage.

IDA WINTERS.

ADVICE TO MOTHERS.—Mrs. Winslow's Sarsaparilla should always be used for children teething. It soothes the child, softens the gums, allays the pain, cures wind colic and is the best remedy for diarrhoea. 5 cents a bottle.

Dressler-Mills Wedding.

One of Carson's prettiest girls and Nevada's proudest sons were married in the presence of a host of friends at St. Peter's Church at high noon Sunday. The bride was dressed in corded white silk, en train, the groom in black. Rev. Mr. Hyslop conducted the ceremony.

Mrs. Butts, grandmother of the bride, with her youngest daughter and grandchild, came up from San Francisco to attend the wedding.

After the ceremony the couple were driven to the home of Mrs. Chauncey Duke, the bride's mother, where a pleasant reception was held. The brides presents were useful and ornamental and attracted much attention by their number.

The young couple departed on Sunday evening's train for their honeymoon.

The APPEAL wishes the young people a happy trip through life and prosperity at every port.

A Hot Play.

Paris, Nov. 10.—Paris has been shocked. This difficult feat was accomplished by Maeterlinck, who adapted and produced a play by the old Elizabethan dramatist, Ford, under the title of "Anna Bella." The whole play is unfit to discuss in a respectable newspaper, though it may have suited the coarse tastes of the English public three centuries ago. The principal incident is one in which a brother makes love to his sister. The theatre-going public is scandalized by the coarse details. In one scene, the lover tears Anna Bella's heart out and throws it on the stage. For this purpose a sheep's heart was first used, but the blood caused the ladies, even the actresses, to faint, so now a red flannel is substituted. Still people flock to see the piece from curiosity.

Murder at Cherry Creek.

From a letter received from Robt. Hartley, of Sprucemont, the Independent learns that a cold blooded murder was committed at Cherry Creek, White Pine county, on the 7th.

Patrick Green and P. T. Dolan, two farmers living about 14 miles north of Cherry Creek, had quarreled over a teacher for their school. On the 7th, the two men met in Cherry Creek and Dolan shot Green in the head with a double barreled shotgun, killing him instantly.

Dolan was arrested and hurried off to Ely to prevent the excited people of Cherry Creek from lynching him. The Independent learns that Mr. Green was an estimable man and leaves a large family to mourn his untimely death. The murderer is said to be a very quarrelsome man.
